rpi nova 1

PREMIUM ABRASIVE BLASTING HELMET

Low flow indicator
(CE, AS/NZS approved models only)

The RPB[®] Nova 1[™] pairs perfectly with these products and more:

RPB° PX4 AIR™ PAPR

Polluted air can be the cause of major health issues. How can you improve the quality of the air your employees are breathing?

The RPB® PX4™ is a powered air purifier that is ergonomic and lightweight, designed to withstand harsh conditions. Powered with a lithium-ion battery, making the unit incredibly efficient, operating for up to 8 hours on a single charge.

RPB° C40 CLIMATE CONTROL DEVICE™

Working in an environment where the temperature is comfortable is key to maximizing productivity. So how can you ensure that your employees are productive?

Your solution is the RPB® C40™, which can heat and cool your supplied air as desired. With the slide of a lever, your employees can switch from heating to cooling ensuring they are always comfortable.

RPB° GX4 GAS MONITOR™

As you know, dangerous levels of toxic gases can cause fatal injury or death. How can you have complete confidence that the air you and your employees breathe is safe?

Your solution is the RPB® GX4™, an intelligent gas monitor that has the ability to detect up to 4 gases, giving you peace of mind.
